Covid 19 Update 5/10/2021 "PLEASE READ"

Dear Patient:

Just reaching out to let you know how much we value you, and your continued health and safety. We are open and serving patients, and following all government pandemic guidelines and then some!! Our hours have not changed and update you and to let you know immediately if there are any changes.

WHAT WE ARE DOING FOR YOUR SAFETY:

- We are continuing to use additional safety equipment to control aerosols and droplets, including Source Capture unit, Fogging, UV lights, Bi Polar Ionization And Personal Protective Equipment's. please feel free to inquire about our safety measure. Our practice has always followed and exceeded all OSHA standards of infection control daily. We have always increased our infection control not only during this outbreak, also during the normal flu season and other outbreaks in the past. As a result, we feel confident that our staff doing their best to maintain a safe environment for our guests.

- We are monitoring staff with temperature check and symptoms questionnaire on the daily basis.

- All Visitors entering our facility must be wearing a mask and use hands sanitizer or wash their hand upon entering.

- Depending on your medical condition, you may be asked to rinse with a antimicrobial mouthwash before treatment begins.

- We are doing a brief health screening of everyone who enters our building. If an individual has:(1) been in contact with anyone who has, or (2) experienced a fever over 101 degrees Fahrenheit, a persistent cough, or shortness of breath; we will kindly ask that they return home.

- If you already had your covid vaccine, please let us know.

- seating in our reception area is reduced to maintain the social distancing. We may ask you to remain outside or in your car if we feel maximum number of people has reached.. We also ask to please do not bring any family member who do not have an appointment unless necessary.

- Please bring your own reading material since we have removed all books and magazines from the reception area and treatment rooms.

- We are constantly sanitizing common area, including doorknobs, bathroom faucets, toilet flusher, handrails, etc..... if you notice something please bring it to our attention.

- We do not require a signature for credit card transactions. You can also use our contactless credit card terminal for the payments.

- Due to increase in emergence, Broken appointment and no shows fee will be enforced.

WHAT WE ARE ASKING OF YOU:

- If you are showing any symptoms of a viral illness, however minor they may be, we are asking that you stay home.
- Please limit your contact with our team members including handshaking or hugging. As always, we are grateful to have you as a family of our patients.
- Please bring your own mask. your mask can be a medical grade of homemade cloth.
- Please keep your mask on as you enter the facility until you are in treatment room and after the treatment until exiting the building.

By now you should be aware the impact of COVID-19 and its capabilities, Experts are learning more about COVID-19 every day. While we will do our best to follow recommended precautions and continue to monitor new information, no one can guarantee that everyone who visits a dental office or other venues will escape exposure to the corona virus. Please know we are here to support your dental needs. We are confident that this situation will return to normal soon. Until then, as healthcare providers, we want you to know that you can depend on us during this time.
